

JEFF HOWES
GOLF DESIGN

www.jeffhowesgolfdesign.com

When designing a challenging and innovative golf course, we offer a unique blend of practical experience, technical expertise and imagination, which transforms the particular location into a successful golf course, sympathetic to the integrity of its natural surroundings. Our assurance of personal attention of each stage of the project, regardless of size, guarantees our client's ambitions are realised to the fullest on time and within budget.

Jeff Howes

is an international golf course designer, originally from Calgary, Canada. He holds a B.Sc. in Physical Geography from the University of Alberta and a Diploma in Turf Grass management from the University of Massachusetts.

Jeff has over 30 years of golf course experience which includes working closely with some of the world's leading course designers including Jack Nicklaus.

An accomplished amateur and collegiate golfer, Jeff has developed a healthy respect and appreciation for golf course design, construction and maintenance.

His commitment to the golf course business has taken him all over the world, USA, Canada, Japan and Europe.

One of Europe's leading Golf Architect Firms, **Jeff Howes Golf Design** was established in 1991. The company based in Kilkenny, Ireland, now employs a highly qualified team of experts who are mostly members of the European Institute of Golf Course Architects (EIGCA).

Jeff Howes is also a member of the Golf Course Superintendents Association of Ireland (GCSAI), Golf Course Superintendents Association of America (GCSAA) and the Canadian Golf Superintendents Association (CGSA).
